**Safeguarding Sunday: On Sunday, 10<sup>th</sup> May,** we will observe Safeguarding Sunday in our parish. This is an important occasion in the life of the Church, when we reflect on our shared responsibility to ensure that our parish remains a safe, welcoming, and supportive environment for everyone—especially children, young people, and vulnerable adults. Safeguarding is not just a policy or a requirement; it is a vital part of our Christian mission. It reflects our commitment to care for one another with respect, dignity, and love. As a parish community, we are called to be attentive, responsible, and proactive in creating a culture where everyone feels safe and valued. This day also gives us an opportunity to express our sincere gratitude to those who work quietly and faithfully behind the scenes to uphold safeguarding practices in our parish. Their dedication and vigilance help ensure that our church remains a place of trust and care. We encourage all parishioners to continue supporting this important work—by being aware, by raising concerns when necessary, and by promoting a culture of openness and responsibility. Let us keep this intention in our prayers, asking God to guide us in protecting and caring for all members of our community. Thank you for your continued support and cooperation.

**Clay Cross Afternoon tea:** Our monthly Afternoon Tea will take place on Monday, 18<sup>th</sup> May at 1pm at Clay Cross. Everyone is most welcome to join us. A sign-up sheet is available in the church porch. Please do come along to share your joy and faith, enjoy a cup of tea, and catch up with friends for a lovely chat. We look forward to seeing you.

**CTK Choir:** Our Christ the King Parish community is looking for more members to join the choir and help make our liturgy even more beautiful. Music truly makes a great difference in our worship. As St. Augustine beautifully said, "To sing is to pray twice." If you enjoy singing and would like to be part of the choir, we warmly invite you to join us. Please contact Mercy Uche for more details.

**Parish Five-Year Plan – A Positive Step Forward:** We are delighted to share that our recent parish meeting on the five-year plan went very well. It was heartening to see such a strong turnout and, above all, a wonderful spirit of collaboration among parishioners. Many valuable ideas and suggestions were shared, reflecting the deep care, commitment, and love people have for our parish. It was truly a hopeful and encouraging gathering, where voices were heard and a shared vision began to take shape. But why do we need a five-year plan? Simply put, it helps us to look ahead with purpose and direction. Rather than just responding to day-to-day needs, this plan allows us to reflect on where God is calling us as a parish—how we can grow spiritually, support one another more effectively, and strengthen our mission in the wider community. A plan like this also helps us to use our resources wisely, encourage greater participation, and ensure that the life of our parish continues to flourish for future generations. What was most encouraging in the meeting was the spirit of unity and shared responsibility. A parish grows not just through the efforts of a few, but through the involvement and goodwill of many. Your ideas, your time, and your commitment truly make a difference. We are now working on bringing everything together into a clear and practical plan. In due course, this will be shared with the whole parish before being submitted to the Diocese. Thank you sincerely to everyone who participated and contributed. Let us continue to work together, support one another, and move forward with hope and trust in God's guidance.
