The text of the prayer is: *God of our past, present and future, you created each one of us in your image and likeness, help us to recognise you in each person. As we pray for an end to suffering caused by racism lead us this day to walk with one another, pray with one another and work together, so that we create a future based on justice and healing, where all can fulfil the hope you have for all peoples. We ask this through Christ our Lord. Amen*
